

REMARKS

This Preliminary Amendment is submitted for entry in the above-identified application prior to an Examiner undertaking a first Action in connection therewith.

The paragraph at page 1, line 19 through page 2, line 2 is amended to correct grammatical oversights. The paragraph at page 2, lines 13-21 is amended such that it is consistent with the Specification and the Claims. The paragraph at page 9, line 17 through page 10, line 5 is amended to correct a grammatical oversight. The amendment to claim 1 does not narrow the scope of the claim, is made merely to clarify the claim language, and is fully supported by the original specification. The Abstract at page 15, lines 1-14 is amended to correct a grammatical oversight. Figure 8 of the Drawings is amended to illustrate pressure P as disclosed in the Specification. Figure 16 of the Drawings is amended to shorten the lead line of 659. No new matter is added and entry of these amendments is respectfully requested.

Respectfully submitted,

KINNEY & LANGE, P.A.
